THE ESSENCE OF NATURE

TREATMENT
BREAK UP
PROFESSIONAL
HYPER-DETANGLING
WITH ALOE VERA

Break Up Hyper Detangling is the innovative and high-performance professional line designed to **untangle even the toughest knots, regenerate the coat, and make it easier to manage.** Ideal for dogs and cats with matted or matted fur, it offers a complete treatment from cleansing to daily maintenance.

Formulated with **organic aloe vera** and natural extracts, it **works deeply** to untangle, restructure, and strengthen the coat, reducing static electricity and preventing new knots.

The line includes a spray milk, shampoo, mask, shampoo-conditioner, and leave-in conditioner: versatile products suitable for both professional grooming and daily home care. **With Break Up, the coat becomes soft, shiny, and easy to comb, without stressing your pet and fully respecting animal welfare.**

Professional, ultra-detangling shampoo with aloe vera, designed for knotted, brittle, or frizzy coats. The natural formula cleanses, detangles, and restructures the coat, making it instantly softer, shinier, and easier to comb. The antibacterial and antifungal properties of aloe protect the skin and prevent knots and static electricity. Suitable for all breeds, especially those with straight or curly fur. Dilute and apply to dry coat, massage well, and leave on for a few minutes before rinsing. **Excellent in combination with a spray milk and mask.**

SHAMPOO

Diluizione **1:10** | Dog & Cats | All Coats

Professional, leave-in, hyper-detangling mask with aloe vera and natural extracts. Ideal for knotted, brittle, and dry coats. **It deeply nourishes the hair, making it supple, shiny, and easy to comb,** preventing breakage and matting. Perfect after shampooing, it **doesn't weigh down the hair and visibly improves its quality.** Suitable for all breeds, especially those with straight or curly hair. Dilute and apply to wet hair, massage well, and leave on for a few minutes before drying.

MASK

Diluizione **1:40** | Dog & Cats | All Coats

Professional hyper-detangling spray milk with aloe vera, ideal for gently yet effectively removing knots and mats from dog and cat fur. Designed for all coat types, it is particularly suitable for long, thick, straight, or curly coats prone to frequent tangling. Its formula with aloe vera and natural extracts softens fur, untangles knots without pulling, and promotes smooth, stress-free brushing. Gentle on even the most sensitive skin, the detangling milk hydrates and soothes, contributing to the overall well-being of the coat. Ideal as a pre-treatment before bathing, it helps prevent future knots thanks to its anti-static effect, without stressing your pet. Application is quick and easy: spray directly onto dry, matted fur and brush with a comb. Perfect as an intensive pre-grooming treatment, it allows you to achieve professional results even at home.

Break Up Milk transforms fur care into a moment of comfort and well-being. The coat regains softness, shine, and manageability, for a consistently neat and well-groomed appearance. An essential part of every groomer's routine and perfect for even the most demanding owners.

MILK SPRAY
